Unifrog – The Complete Destinations Platform

Dear Parent / Guardian,

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after Bridgnorth Sixth Form, we will now be using Unifrog; an award-winning, online careers platform. All students in Years 12 & 13 now have access to this excellent website.

Unifrog brings into one place every undergraduate university course, apprenticeship, and college course in the UK, as well as other opportunities, such as School Leaver Programmes, MOOCs and every college at Oxford and Cambridge. This make it easy for students to compare and choose the best university courses, apprenticeships, or further education courses for them. They can also explore exciting opportunities further afield by looking at English taught undergraduate programmes available in Europe and the USA.

Additionally, the platform helps students successfully apply for these opportunities. It provides advice and guidance on writing their personal statements, applications, and CVs, and guides them through the various processes while allowing teachers to give live feedback.

Students access the tool using their school e-mail address and following the create a password link e-mailed to them. They can then log-in each time using the details they have created. We would encourage you to use the platform with your son/daughter so you can support them through the process of deciding their next step.

For more information, go to www.unifrog.org or contact me directly.

Yours faithfully,

Mr Tom Williams
